

Sketch Pittsboro Supply List

Welcome to our art community! Here is the supply list for your class.

Camping chair- We will be painting on location around Pittsboro. Make sure to bring a chair you can carry and set up on site.

Landscape size 6 x 9 ish watercolor sketchbook with 140lb. Cold pressed 100% cotton water color paper.

You may chose your own or purchase one from me for \$15. Just let me know know if you are buying one from me so I know how many to bring.

Portable Watercolor palette.

You are free to purchase whichever watercolor paints you want to use or use ones you already have. I recommend Half pans not tube water color.

My top recommendation is Winsor & Newtons student line Cotman.

The W&N Cotman Studio Watercolor set that has 24 half pans. (\$40 on amazon)

There are also sets in this line with fewer colors and more colors.

Light drawing pencil and eraser that erases clean

Water color brushes:

Rounds sizes 8,6,4,2, and 00 or 000 for very fine lines

Waterproof India Ink pens such as Faber-Castell Pitt Pens (they make a 4 pack that includes a 0.3,0.5, 0.7, and brush tip pen) the pack is available in black and sepia. Either color is fine.

Portable water cup for washing brushes.

A small kitchen towel for you lap is a good idea to protect your clothing.

A few paper towels and a small water bottle tucked into your bag is also a good idea.

I will have paper towels and water on site if you forget yours-but sometimes its easier to have your own refills close by.
